renovation and expansion

In the heart of Milan, a stone's throw from the Duomo Cathedral, in Piazza Fontana, the Rosa Grand has opened a new addition beside the old hotel with an entrance on Via Pattari. The hotel occupies several buildings and has been completely renovated. The clear, unaffected facade is a fine example of tasteful restoration work and the resulting tableau a highly evocative combination of stunning Italian design and architecture.

rooms & suites

The 327 rooms that make the Rosa Grand the largest hotel in Milan's old city centre are a tribute to luxury. The wood flooring, the encaustic style walls, the wood finish, the gold-leaf lamps, the leather poufs in vibrant colours, the pink-themed photographs by Maurizio Galimberti exude glamour and sophistication through out. The suites and junior suites are all fitted with mosaic showers and bathtubs with hydro-massage and chromo-therapy functions for the total wellbeing of guests. In all rooms, the distinguishing features of the renowned Starhotels hospitality, such as the Starbed and the à la carte pillow service, are available.

"grand" lounge & bar

Elegant and modern, ideal for a relaxing break, reading a good book, enjoying a glass of wine or just listening to some jazz at drinks time. Rich buffet menu for Business lunches and a small but select dinner menu.

“tar.tar” bar & restaurant

The city’s first “business breakfast” bar. À la carte breakfasts in a multi-purpose space dedicated to the fusion of art and cuisine. In the evening, from cocktails, champagne and finger food to long romantic suppers.

“roses” restaurant

Exquisite, exclusive. A landmark in the city’s good food map, this restaurant offers contemporary cuisine drawing on local Milanese traditions and innovative recipes. Also perfect for working lunches and small meetings. Don’t miss the Sunday Jazz Brunch, every Sunday all year round, from 12.30 to 15.00.

relaxation

The Club Lounge is sumptuously decorated with oak flooring, mirrors and fabric panels and original appliques in an impressive display of symmetry.

meetings & incentives

The Hotel’s open-style, multi-functional congress facilities include seven meeting rooms, each seating from 30 to 300 people (total 535). Three of these rooms are connected by mobile partitions that disappear to create over 300 sqm (3229 sqft) of high technology space for various event solutions. The restaurant “Roses” and library-lounge provide an ideal venue for dinners and cocktail parties.
